Piano and Voice Studio of JY How-VanderMeer

Happy New Year! I hope you all had a wonderful holiday season. Fall 2018 flew by successfully with a Studio Class/Halloween party and a Holiday Recital. I am excited for what we have coming up this semester!

Bad Weather/Snow Day

We are in the midst of winter once again. Feel free to use the front entrance when it is rainy, snowy, or icy. In case of bad road conditions where driving could be risky, please stay home! We will have lessons via Skype or FaceTime at your lesson time.

If You Are Sick...

Please STAY HOME if you are sick! If you are feeling well enough to have a lesson, we will have one via Skype or FaceTime at your lesson time. I understand that illnesses are impossible to predict, but please let me know as soon as a bug hits and we can work on rescheduling your lesson if you are too sick to have a lesson even at home.

Make Up Policy

A gentle reminder that all students have 3 credits per year. Some of you have already used credits. Remember that these are rescheduling options that would not use up any credit if I am informed ahead of time:

- Swap List (if you opted in)
- Skype/FaceTime during your lesson time
- Pre-recorded video where I will use your lesson time to review and send comments back
- Studio Classes

Piano Tuning

Now is a good time to make sure that your acoustic pianos at home are tuned and maintained!

Here are a couple of local tuners for you to choose from:

Jennifer Hohman, 937-546-3455, www.hohmanpianos.com

Doug Atkins, 937-266-5151, piano2ner@yahoo.com
